Committee on Appropriations  
U.S. House of Representatives  
H-307, the Capitol  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Marlboro Township Police Communication Equipment Upgrades project in fiscal year 2024. The entity to receive funding for this project is the Township of Marlboro, located at 1979 Township Drive, Marlboro, NJ 07746.

The funding will be used to upgrade all telecommunications services used by the Marlboro Township Police Division. The project is an appropriate use of taxpayer funds because it will allow the police division to enhance its communications technical equipment and thereby enhance its community policing efforts by being able to use telecommunications equipment on a frequency free of interference from other users. Doing so will improve police effectiveness and enhance public safety.

The project has a Federal nexus because the funding provided is for purposes authorized by section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. §10381(b)(8))

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Andy Kim  
Member of Congress
